Our Individual Intaglios are at the heart of what we do. We search the globe for these miniature art-forms that tell stories which have been handed down through time. Whether in natural plaster, handsome red wax or meticulously blackened, you will enjoy displaying these stories told through this unique medium.

Specialty Collections

Our Specialty Collections build upon the idea of our Standard Collections. These collections each tell stories documented by groupings of special intaglios skillfully displayed with framing options carefully selected to best compliment them.
Our Indenture Collection is one of our signature themed collections. The highlight of the collection is the historical document which provides the backdrop to large hand-colored intaglios.

Each intaglio is colored by hand to give them this unique look.
